Dear Sir/ Madam,

### **Achievement of Your Former Student**

We are delighted to let you know that your former student affiliated to CW Chu College of The Chinese University of Hong Kong (香港中文大學敬文書院) has been with us since his admission. Our College and student associations have arranged a wide array of activities in the academic year 2023–24 that aimed to enhance students' knowledge, mental well-being and personal development.

Please find below a summary of achievements and experiences of your student at our College for reference. The concerted efforts of your school in nurturing this student are remarkable.

##### **NG Ho Yin (Physics)**

- Physics Scholarship (2021–22)

You may like to share the above information with your current students, so that they will be motivated to study well and plan for a rewarding university education. For S6 students who will receive their HKDSE results soon, experiences of your alumni may also be good references for their choice of university.

We have pleasure in mentioning that on-campus orientation camps and a wide range of College activities will be scheduled for our students in the academic year 2024–25. One may see the benefits of having *a guaranteed 4-year campus residence* and a *self-disciplinary international learning environment*. Any student admitted to almost any programme of studies in CUHK may choose our College through the registration process. Please refer to the enclosures for more details of our College.

Your school and your students are most welcome to contact our Executive Officer, Ms. Alice Tang (Tel: 3943 1965, Email: [alicet@cuhk.edu.hk](mailto:alicet@cuhk.edu.hk)), if further information is needed.

Thank you for your attention.

Yours sincerely,
